## TECHNICAL SKILLS

---

**Novice:** MATLAB, Android Development  
**Intermediate:** Ruby, Python, Databases (MySQL, PostgreSQL and MongoDB)  
**Proficient:** Java, Scala, JavaScript, Algorithms, UNIX Systems, Git

## TRANSFERABLE SKILLS

---

**Team Player:** At Goldman Sachs, I worked in a team of five developers and being a team player was essential. Thanks to the people I worked with, I was able to learn a lot about being a good team player and become one.

**Innovative:** I embrace innovation dearly and I believe I am a very innovative person. I always find new and better ways of solving problems. I was also able to harness this ability while on industrial placement at Goldman Sachs.

**Leadership:** As demonstrated in my achievements, I have proven to be a very good leader when I have to. I have led teams to programming competitions, been nominated and elected class/course representative and also awarded for my leadership abilities.
