Intermediate: Ruby, Python, Databases (Mysql, Postgresql and MongoDB)
Proficient: Java, Scala, JavaScript, Algorithms, UNIX Systems, Git

TRANSFERABLE SKILLS

Team Player: At Goldman Sachs, I worked in a team of five developers and being a team player

was essential. Thanks to the people I worked with, I was able to learn a lot about

being a good team player and become one.

Innovative: I embrace innovation dearly and I believe I am a very innovative person. I always

find new and better ways of solving problems. I was also able to harness this

ability while on industrial placement at Goldman Sachs.

Leadership: As demonstrated in my achievements, I have proven to be a very good leader when

I have to. I have led teams to programming competitions, been nominated and elected class/course representative and also awarded for my leadership abilities.

INTERESTS AND ACTIVITIES

Open-Source:

I am an avid open source contributor. I have contributed to a number of projects and I am currently the maintainer of two well used projects. Please see http://github.com/fayimora for a list of these projects

I engage in a lot of sporting activities but the three main sports I have a passion for are Football, Cycling and Tennis. Sports:
